

JOSELITO R. ALCALDE

Curriculum Vitae | Administration, Case Monitoring, Data, Automation, Web, and Publication Support

Santa Cruz, Laguna, Philippines | Open to remote and relevant opportunities | joselitoalcalde@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL PROFILE

Government professional with service since January 2019 and multidisciplinary experience in case monitoring, seized-evidence accountability, dismissed-case evaluation support, administrative documentation, data analysis, legal and investigation support, institutional publication development, workflow automation, responsive website design, and GitHub Pages deployment. Combines professional writing, records management, visual communication, front-end development, and practical digital solutions while handling sensitive information with discretion and accountability.

AREAS OF EXPERTISE

Case and Evidence Monitoring: Case-status tracking, dismissed-case evaluation support, seized-evidence inventory, drug-evidence destruction monitoring, report consolidation

Administration and Documentation: Memoranda, reports, research, records management, compliance tracking, correspondence, inter-office coordination

Data and Presentation: Excel, Power Query, data cleaning, record matching, PivotTables, charts, statistics, PowerPoint briefings

Automation and Web: Google Apps Script, Gmail, Drive, Sheets, HTML5, CSS3, JavaScript, responsive design, GitHub Pages, WordPress

Publishing and Design: Final editing, revision coordination, template compliance, content compilation, formatting, Photoshop, Figma, Canva

PROFESSIONAL EXPERIENCE

Action PNCO - Case Monitoring, Records, and Administrative Support

January 2019-Present

Philippine National Police (PNP)

- Monitor the status, progress, disposition, and reporting requirements of cases handled by the unit.
- Maintain, consolidate, validate, analyze, and present case-monitoring records and related datasets.
- Prepare recurring and special reports, tables, charts, statistics, narrative analyses, and data-driven PowerPoint presentations for management use.
- Maintain and monitor inventories of seized evidence to support accountability, records management, and compliance requirements.
- Monitor records concerning the disposition and documented destruction of seized drug evidence and consolidate relevant supporting reports.
- Participate in the evaluation of dismissed drug cases by reviewing recurring legal, procedural, documentary, and evidentiary issues.
- Assist in preparing case-review findings, analytical summaries, presentations, and recommendations intended to reduce recurring case weaknesses.
- Support legal, investigation, administrative, documentation, records-management, and coordination requirements.
- Handle sensitive case records, evidence information, and official documents with confidentiality, accuracy, and accountability.
- Designed and deployed an email and document-management automation using Google Apps Script, Gmail, Google Drive, and Google Sheets.
- Serve as final editor, revision coordinator, compiler, and formatter for institutional books and manuals.

PROFESSIONAL EXPERIENCE CONTINUED

Congressional Office Staff

2018-2019

Office of a Member of the House of Representatives

- Provided administrative and operational support for the daily requirements of a congressional office.
- Performed varied roles involving document preparation, records handling, correspondence, scheduling, communications, coordination, and office assistance.
- Assisted with requests and transactions involving constituents, stakeholders, government offices, and other concerned parties.
- Developed adaptability, public-service orientation, discretion, and the ability to manage varied responsibilities.

SELECTED PROFESSIONAL ACCOMPLISHMENTS

- Deployed an email and document-management automation that processes attachments, organizes files in structured Google Drive folders, and records communications in Google Sheets.
- Designed and published two responsive web projects through GitHub Pages: a professional portfolio and the Cerberus Construction concept website.
- Developed data-driven PowerPoint presentations using consolidated records, tables, charts, statistics, and narrative analysis.
- Served as final editor for three institutional book and manual projects, applying prescribed templates, coordinating revisions, compiling source materials, and preparing final layouts.
- Supported case-review activities involving dismissed drug cases and maintained monitoring records for seized evidence and documented drug-evidence destruction.

AUTOMATION AND DIGITAL PROJECTS

Email and Document Management Automation | [Deployed workflow](#)

Designed and deployed a Google Workspace automation that processes incoming email attachments, classifies documents, creates organized folders, and records communication details in a centralized tracker.

- Classification logic uses sender, subject, attachment filename, and document characteristics.
- Includes scheduled execution, duplicate handling, corrected-file handling, and unrelated-message filtering.
- Built for practical use while protecting confidential records and internal information.

Cerberus Construction Concept Website | [Live portfolio demonstration](#)

Designed and developed a responsive construction-company concept website with a premium black-and-gold identity, clear service architecture, project inspiration gallery, responsive navigation, and a safe demonstration inquiry experience. [View live project](#)

- Built with semantic HTML5, responsive CSS3, and vanilla JavaScript.
- Optimized for desktop and mobile presentation and deployed through GitHub Pages.
- Clearly identified as a concept website and not an official company site.

Responsive Professional Portfolio | [Live portfolio](#)

Designed and developed a responsive personal portfolio presenting experience, capabilities, projects, technical tools, downloadable application documents, and a cross-device contact form. [View live project](#)

- Includes light/dark theme preference, responsive navigation, project cards, and accessible form controls.
- Deployed through GitHub Pages and maintained as a public professional profile.

PUBLICATION AND MANUAL DEVELOPMENT

Compilation of Laws and Issuances Related to Drug Enforcement | Completed - limited circulation

Final editor, compiler, revision coordinator, and formatting contributor for an institutional reference containing relevant laws, policies, rules, and issuances.

Revised Manual on Anti-Illegal Drugs Operations and Investigation | Withdrawn during development

Final editor and formatting contributor during meetings, consultations, revision coordination, content consolidation, and review of complex legal and operational safeguards.

PNP Drug Enforcement Group Administrative and Operations Manual | Institutional manual project

Final editor, content-organization contributor, and formatter for a reference describing administrative responsibilities, operational functions, processes, and work procedures.

LICENSURE AND ELIGIBILITY

December 2017	Criminologist Licensure Examination - passed on first attempt; results released January 2018
October 2017	PNP Entrance Examination, National Police Commission - passed on first attempt
